

# 100% NATURAL — ENVIRONMENTALLY FRIENDLY — SAFE FOR THE WHOLE FAMILY

## Replaces All Harmful Toxic Cleaners

### Botanic GOLD Multi-Use Botanical Soap

**Botanic GOLD** is a non-toxic readily biodegradable all-purpose botanic soap formula made from deionized water, fatty acids, organic alcohol, folic acid, minerals, enzymes, edible and seed bearing plants. There are no chemicals – just 100% natural ingredients!

**Botanic GOLD** utilizes breakthrough scientific technology – the miracle of *micelle molecules* – to effectively break down and emulsify oils without chemicals or harm to humans or animals. Now you can clean your entire home, your pets, your children, and yourself *without exposure to additional toxins*.

Since there are no chemicals of any kind, **Botanic GOLD** is superior for those who suffer from chemical sensitivity. **Botanic GOLD** replaces virtually ALL your chemical-laden cleaners, including bathroom and carpet cleaners, denture cleaner, jewelry cleaner, flea bath, degreasers, laundry detergent, shampoo, stain removers, and more!

**Botanic GOLD** is now available in gallon and quart sizes through Symmetry Direct and its Business Partners around the world.

**To order**, see your Symmetry Distributor, visit our website at [www.symmetrydirect.com](http://www.symmetrydirect.com), or call 1-800-Symmetr(y)

Every year, thousands of child poisoning deaths are attributed to ingestion of common household products. Using **Botanic GOLD** non-toxic cleaner is the best way to keep your home safer from tragic accidental poisonings that can have long-term or even fatal consequences.

**Botanic GOLD** contains NO ammonia, nitric acid, ammonium, perfumes, fragrances, animal products, petroleum products, artificial ingredients, phosphates, chlorine, phosphoric acid, citric acid, propylene glycol, dyes or colors, sodium laurel sulfate, sodium laureth sulfate, solvents, harmful detergents, hydrochloric acid, sulfates, hydrofluoric acid, sulfuric acid, isopropyl alcohol, synthetic chemicals, and no thickeners or fillers.

How many bottles and sprays do you have under your sink at home **now**? Imagine – just **one bottle** under your sink cleans virtually everything in your house!

**Botanic GOLD** is a **concentrate**, so a little goes a long way. The most common dilution ratio for household cleaning is 7:1, which means one part **Botanic GOLD** to seven parts water. Purified water works best (water from Symmetry’s Water Enhancement System is ideal.)

- 3 to 1** for heavy duty household cleaning
- 7 to 1** for personal care and bathing, general household
- 15 to 1** for washing fruits and vegetables
- 31 to 1** for washing floors and windows.

**Botanic GOLD is non-toxic.** Here are some of the warnings posted on many of the products you probably have in your home right now:

**Comet with Bleach® Liquid Cleaner** - CAUTION: MAY CAUSE EYE IRRITATION. KEEP OUT OF REACH OF CHILDREN. In case of contact with eyes, rinse thoroughly with water. If swallowed, drink a glassful of water. Contains bleach. Use with adequate ventilation. Do not mix with other products, especially toilet bowl cleaners, acidic cleaners, or products that contain ammonia as irritating fumes may result.

**Formula 409 Spray All Purpose Cleaner®** - Keep out of reach of children. Causes eye irritation. Do not get in eyes, on skin or clothing. Wash thoroughly with soap and water after handling. Avoid contact with foods. For eye contact, flush eyes with water for 15 minutes. If irritation occurs, contact physician immediately.

**PineSol Cleaner®** - Eye and skin irritant. Harmful, if swallowed. Do not get in eyes. Avoid prolonged or repeated skin contact. For sensitive skin or prolonged use, wear gloves. Avoid contact with food. Eyes: Immediately rinse with water for 15 minutes. If irritation persists, call a physician. If swallowed: Do not induce vomiting. Drink a glassful of water. Immediately call a physician. Skin: Rinse with water. Keep out of reach of children. Do not use or mix with other household cleaners. Keep away from heat, sparks and open flame.

**Lysol Basin Tub & Tile Cleaner®** - Keep out of reach of children. May cause eye irritation, avoid contact with eyes or skin. If in eyes: immediately flush eyes thoroughly with water; remove any contact lenses and continue to flush eyes with plenty of water for at least 15 minutes. If on skin: flush thoroughly with soap and water. Consult physician if irritation occurs. Store in areas inaccessible to small children. Rinse empty container thoroughly and discard.

**Cascade Automatic Dishwashing Liquid®**- Harmful if swallowed or put in mouth. Skin and eye irritant. Keep out of reach of children. Do not let young children use bottle or touch product in dishwasher. Screw on protective cap tightly after use. If swallowed or gets in mouth, rinse mouth, give a glass of water or milk and call a poison control enter or physician. Eye contact: flush eye thoroughly with water. Spilled on skin: rinse with water.

**Dow Heavy Duty Oven Cleaner®** - Causes burns to skin and eyes on contact. Contents under pressure. Harmful if swallowed. Contact will cause burns. Avoid contact with eyes, nose, skin or clothing. Wear long rubber gloves and eye protection. Do not breathe spray mist. Do not take internally. Do not puncture, incinerate, expose to heat or store above 120 degrees F. Keep out of reach of children. First Aid. Eyes: Immediately flush with water for at least 15 minutes. Get medical attention. Skin: Immediately remove rings and contaminated clothing. Wash skin thoroughly with soap and water. Continually flush for 15 minutes. If irritation persists, get medical attention. Internal: Do not induce vomiting. Rinse mouth then drink large amounts of water or milk and call physician immediately. Keep out of reach of children.
