Green sells for Symmetry

James Green has recently become a senior level business partner with the direct selling company, Symmetry.

Green is a Council Bluffs resident who encourages the local community to get on the right track towards physical, spiritual and personal wellbeing.

Symmetry is a Milpitas, Calif-based company that's mission is to enrich people's lives physically, personally, spiritually and financially through state-of-the-art nutritional products that are constantly being enhanced with the latest and most advanced technology. It was founded in May of 1995.

For more information contact Green at (402) 714-3734.
