

Jean promoted to marketing manager

Windermere resident Roiselet Jean, a business partner who distributes products for Symmetry — a direct-selling company known for its resveratrol-infused juice product — was recently promoted to the position of new marketing manager since joining the company in February.

“It’s remarkable how working for a company whose mission is to help others has actually helped me to become a better person,” Jean said. “I’m thrilled to be recognized

for my achievements, and I feel like I’m on track towards accomplishing several goals I have set for myself and my business.”
