We started with Symmetry because money has always been an issue in our lives. **We've always wanted a better life for our children but have been struggling paycheck to paycheck until we found Symmetry.** Our goal is to become financially free and Symmetry is doing it for us.

The fact that we could help people with their health was something that was exciting. Being in the health field, we have a glimpse of the side effects of pharmaceutical drugs. It is thrilling knowing that phenomenal products like **Genesis™** and **Ultra Vitality™** takes care of many health conditions without any side effects.

We recommend attending a **Seeds of Success Workshop** to learn from self made multi-millionaires within the Symmetry system, and learn what they did to achieve their success.

I would like to take a moment and thank our enroller Augustine Achianga as well as our up-line Mr. Andrew Pearson and Mr. Travis Just for their encouragement and support. Last but not least we would like to thank Mr. Rudy Revak for putting Symmetry together which is an incredible company, which does not only produce amazing products but gives us an opportunity to become financially free. Finally, we would like to thank the Lord Almighty for leading us in to this opportunity and giving us the wisdom to take advantage of it. We believe the best is yet to come and we are working towards it.
