We're  sure you'll love our products - guaranteed

Whether it be our best selling product, **Genesis™**, that provides all the nutrients needed for a healthy life plus complete around-the-clock protection from free radicals or Symmetry's **Clarity™** that offers the nutrients required to improve focus, concentration and combat short-term memory loss, we guarantee you'll experience benefits within 90 days or you get your money back!

Like proper nutrition, which is quite difficult to find these days especially with the overwhelming prevalence of fast and processed foods, supplements provide your body with what it needs to stay healthy and energized. **Genesis with X'tranol-24™** is the perfect supplement to add to your daily regimen. It comes available in a bottle or in an easy-to-carry Trial/Travel sample pack. Give it a try and see the rapid results for yourself.

While supplements can't cure disease, they definitely can support your body's natural efforts to protect itself against a wide range of health conditions. However, it takes time before results become obvious and that's why we've created our *Wellness Program*. **If you're not completely satisfied after 90 days, don't feel better, have more energy, and feel less stressed... we'll give you a complete refund...guaranteed!**

"Prior to using the new **Genesis™** with **X'tranol-24™** my allergies were going crazy, I wasn't sleeping at night due to my bad back, I had swelling and pain in my lower back and I was gaining inches around my midriff. After using **Genesis** with **X'tranol-24™** for about 6 weeks I noticed I had lost inches in my upper back, stomach and waist and my allergies were gone. I am sleeping through the night without pain and I have regained the flexibility in my back.

I can't stop sharing this with everyone I come in contact with, I have my life back. Thank you Symmetry!
